

SECTIONAL DOORS

Stanford, Ribline, Fineline and Flatline are manufactured from BlueScope Colorbond® Steel, featuring custom sizing and hemmed inside edging for additional safety. Along with these features, heavy duty hardware and a reliable automatic will provide years of trouble free operation.

BLUESCOPE STEEL® TIMBER LOOK GARAGE DOORS

The realistic look of natural wood is achieved by using painted BlueScope Colorbond®. BlueScope Timber Look Colorgrain® is an exciting product development that uses a solid paint process to create unique pre-painted steel colours and patterns, with fantastic depth and texture. Available in two tones - New Cedar® Colorgrain® and Caoba® Colorgrain®.
